Jl Pondok Belimbing RT 003 RW 004, No.150, ,Jurang Manggu, Pondok Aren, Tangerang Selatan, Banten, 15220  
Experienced as a motivated, detail-oriented web development support with a Bachelor's degree in Computer Science and a strong passion for Front-End or UI-UX Web Designer development. Proficient in HTML, CSS, JavaScript, and modern frameworks such as React and Next.js. Skilled in creating responsive and user-friendly web interfaces. Passionate about both Front End and Full Stack, and committed to continuous learning and growth in the field. Eager to apply learned knowledge and hands-on project experience to contribute to innovative web development projects.
